

REMARKS

This amendment is submitted to provide the prescribed relationship between the instant application and the PCT application from which it is taken.

The error in listing the reference previously has only recently been noted.

Favorable action is solicited.

A separate sheet bearing the Amended Specification page is enclosed.

Respectfully submitted,

Henry M. Bissell
Attorney for Applicant
Registration No. 19,200

6820 La Tijera Boulevard, Suite 106
